

Ever considered making a difference? Join the Young Conservatives.

**Campaign • Debate
Discuss • Stand for
election • Meet MPs •
Socialise • Have your
say • Share your ideas •**

FIND OUT MORE

Being a member means you are able to:

Help us win elections - your subscription payment goes towards local campaigns in your area, helping us elect Conservative Councillors and Members of Parliament

Have a say in the future of the Party - sharing policy ideas, giving feedback on policies and influencing Party policy

Choose the candidates who'll stand in local and parliamentary elections, and vote in leadership elections - as a YC you are a full member of the Conservative Party which means (after three months membership) you can vote in our internal election

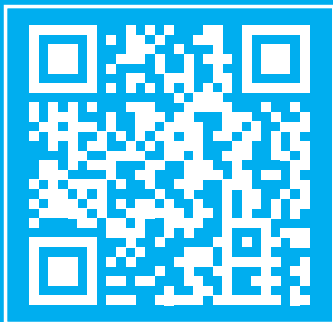

Join our events and socials - we hold regular social meet-ups and other events with guest speakers, including our excellent local MPs!

Stand for election - being a member means you can stand for election for the Conservative Party

Take part in our campaign groups – such as the Conservative Women's Organisation or your local Conservative Association. Meet like-minded people and get involved in other Party activities

Attend Conference – every year a group of local YCs attend Conference. As a member you can also join our MPs, councillors and activists in the biggest event of the Conservative calendar

Join online today at conservatives.com/join
